Message from the President

Dearest Alumnae,

As a nutshell, the term "alumnae" perfectly captures how we feel about our former students at The Standard Fireworks Rajaratnam College for Women, Sivakasi. Each graduate of this Institution will unquestionably achieve her goals and have a beneficial influence on both the local town and the world as a whole. An alumna is an asset to the Institution because she contributes to its improvement by sharing her experiences or volunteering her expertise. In fact, the alumnae are our Institution's main stakeholders and brand ambassadors.

Above all, the legacy of The Standard Fireworks Rajaratnam College for Women is written by the tales of our graduates! Being connected to one's Alma Mater is usually a wonderful feeling, and the college feels the same way. Enshrined in our Logo is the Motto, - "சேரவாரும் செகத்தீரே" which SFRC stands for, upholds, and continually aspires to accomplish. The SFR College Alumnae Association is indeed committed to sharing the information related to students' activities, curriculum, awards, current research, new initiatives, or infrastructure growth in the spirit of association, collaboration, and dissemination. The doors are always open for your contributions liberally towards the development of the Institution through scholarships, endowments, financial support, organizing lectures, collaborative activities, etc., We also eagerly forward hearing about your ongoing professional and personal developments.

Welcome to all the Alumnae to become a Member of SFR College Alumnae Association and join to be a participant of the illustrious SFRC FAMILY to share those sweet memories with your loved ones. God bless you in your endeavours to continue making steady progress toward bringing honour to our college and reaching out to your classmates and teachers to express your gratitude for their friendship and support as you work to attain new heights.
